

Sustainable Food and Farming

Animal Welfare: Linking your school food to learning and making progress towards your FFLP bronze award

FREE CPD day- Thursday 7th October 2010

**Woodlands Farm, Kirton, Lincolnshire, PE20 2DW
09.00 – 15.30**

Dear Head Teacher and School Cook,

The Food for Life Partnership would like to invite you to an exciting farm-based CPD day to explore the links between farm-based education, food sourcing and the curriculum, with a focus on Animal Welfare.

The day will give you a full understanding of the FFLP Food Sourcing criteria and how both the farm and classroom-based resources can improve your pupils' understanding around food quality and provenance. This development will complement changes to your school menu.

The day will include:

- An overview of the Food Sourcing and Farm Links criteria
- A FFLP Flagship school's perspective
- Farm tour
- Curriculum mapping – using the farm as a learning resource
- Presentation from Denise Hornsey, Lincolnshire's 'Food in Schools Sustainability Advisor', sharing the challenges and successes of the Food For Life Partnership
- Anna Bassett, the Soil Association's Poultry Advisor presenting the different types of animal welfare promoted in the FFLP criteria with a chance to ask questions (tbc)
- Locally-sourced, sustainable lunch

The day will be led by Janet Maylon – FFLP East Midlands Food Sourcing Coordinator and Liz Smales – FFLP East Midlands Farm Links Officer.

Places are limited so please book early using the booking form overleaf – there are a maximum of two delegates places per school.

A full programme for the day and directions to Woodlands Farm will be sent to attendees upon receipt of your booking form.

Booking deadline: Friday 16th July 2010
